

MULTI-BANK SECURITIES, INC. AND PARENT COMPANY CERTIFIED AS SDVOB BY NEW YORK STATE

SOUTHFIELD, Oct. 19, 2018 – Multi-Bank Securities, Inc. (MBS) is proud to announce that it and its parent company, Multi-Bank Services, Ltd., have been certified as a New York State Service-Disabled Veteran-Owned Small Business (SDVOB) by the State of New York Office of General Services' Division of Service-Disabled Veterans' Business Development. MBS joins more than 500 companies with the distinction.

The Service-Disabled Veteran-Owned Business Act, signed into law in 2014, is designed to encourage eligible SDVOBs to play a greater role in the state's economy by increasing their participation in local contracting opportunities. To be eligible, a business must have conducted business for at least one year prior to the application date, be majority-owned by a service-disabled veteran and qualify as a small business with business presence in the state of New York.

"We would like to thank the State of New York for recognizing us as a service-disabled veteran-owned business," said David T. Maccagnone, MBS chairman and CEO. "Their commitment to service-disabled veteran-owned businesses allows us to further grow our business state- and nationwide."

Maccagnone, a Vietnam veteran and Purple Heart recipient, is one of the numerous former service members counted among The Firm's ranks. In addition to the new certification, MBS is certified as a Veteran-Owned Business Enterprise and is a member of the National Veteran-Owned Business Association.
